

Dear current and future Saints Netball Sponsor,

Saints Netball Club is making plans for a successful 2022 season and we are seeking local business support to assist us in providing opportunity and growth for our players.

We are a non-profit community sports club, our committee members and coaches are all volunteers. Our running costs are covered by club fees, which we aim to keep affordable. It is through the generous contributions from our sponsors, that we are able to achieve this for our members.

Our club consists of both senior and junior teams. It has a terrific supporter base that includes many Port Macquarie families and friends. We have a vision to create opportunities through netball to celebrate the growth and development of each player being part of our community.

Like most growing sporting clubs, sponsorship is vital to assist in providing up to date equipment, education for coaches and umpires, training and support for players and ensuring the bond between our community and our sports club strengthens every year.

We hope our club values of team work, diversity and inclusion, skills development at all levels and comradery might be a great fit for you business to partner with our netball community.

Hoping to encourage community support in the growth of our club, this year we have a variety of sponsorship packages available:
